WELCOME TO THE 2008 IMHOA FUTURITY PROGRAM

Following is a brief explanation of the Futurity Program.

NOMINATE

The term "nominate" means to make foals resulting from stallions and mares that have paid a fee (called a nomination fee) eligible to be shown in the futurity classes. A horse **CANNOT** become eligible for the futurity in any other way. To "nominate" your stallions/mares, just fill out the **"2008 IMHOA Futurity Stallion and Mare Nomination Form"** and send it with the correct fees, \$25.00 Stallion/\$5.00 Mare, to the Futurity Board. See Rules Page 1 of 3, Item I, A & B. You may duplicate the form as needed.

SUSTAIN - YEARLINGS (FOALS OF 2007)

The term "sustain" means to keep a horse eligible to be shown in the futurity classes. If you nominated your stallions/mares last year (2007) **ALL OF THE RESULTING 2007 FOALS ARE STILL ELIGIBLE** for the 2008 Futurity, **whether you showed them as weanlings in the 2007 show or not.** The first week of January, 2008, we will mail out forms for you to use to sustain your 2007 foals, for the 2008 futurity. Return that form, copy of registration papers and \$25.00 sustaining fee for each to the Futurity Board. This is due by March 1, 2008 and will keep your 2007 foals eligible for the 2008 Futurity Classes. See Rules Page 2 of 3, Item II, A & B.

SUSTAIN - TWO & THREE YEAR OLDS (FOALS OF 2006 and 2005)

If you have a Two Year Old (Foal of 2006) that is eligible for the 2008 Futurity, we will mail you a form to use to sustain your 2006 2 yr. old. Sustaining fee is \$25.00 Each. See Rules Page 2 of 3, Item III, A & B.

If you have a Three Year Old (Foal of 2005) that is eligible for the 2008 Futurity, we will mail you a form to use to sustain your 2005 3 yr. old. Sustaining fee is \$25.00 Each. See Rules Pg.3, Item IV, A&B.
